Ot Roca - Front-End Developer

Terrassa, Barcelona, Spain · linkedin.com/in/otrocadev · otroca.dev · +34 692 02 20 20 · otrocadev@gmail.com

*I am a developer in training with experience in web development and IT support. I am passionate about technology and creating functional, efficient software. I stand out for my ability to **learn quickly, solve problems, and work in a team**. Furthermore, I am currently seeking an opportunity in the tech sector where I can continue growing and adding value.*

PROFESSIONAL EXPERIENCE

Wallbox Chargers   **Barcelona, Spain**
FullStack developer   *(6 months)*

- Front-end development with Vue.js, following the company's design patterns.
- Back-end development in TypeScript, creating a wrapper for integrating a third-party API with the front-end platform.
- Close collaboration with a multidisciplinary team to design from scratch and implement improvements in the company's data analysis tools.
